

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

KYLE CANTY,

Plaintiff,

Case No. C16-1655-RAJ-JPD

V.

## KING COUNTY, *et al.*,

#### Defendants.

**ORDER GRANTING PLAINTIFF'S  
MOTION FOR EXTENSION OF TIME**

This is a civil rights action brought under 42 U.S.C. § 1983. This matter comes before the Court at the present time on plaintiff's motion for an extension of time to file his amended complaint and on plaintiff's "motion of writ." The Court, having reviewed plaintiff's motions, and the balance of the record, hereby ORDERS as follows:

(1) Plaintiff's motion for an extension of time to file his amended complaint (Dkt. 25) is GRANTED. Plaintiff shall file his amended complaint not later than ***March 24, 2017***. Failure to file an amended complaint by this deadline will result in a recommendation that this action be dismissed.

**ORDER GRANTING PLAINTIFF'S  
MOTION FOR EXTENSION OF TIME - 1**

1 (2) Plaintiff's "motion of writ" (Dkt. 24) is DENIED. Plaintiff requests, by way of  
2 the instant motion, that he be provided the tools necessary to move this case forward, and he  
3 references a "pro se package" made available to inmates at the King County Correctional Facility  
4 which contains pads of paper, envelopes, erasers, pencils, and printing paper. The Court infers  
5 from plaintiff's motion that either he has not been provided a "pro se package" by the facility, or  
6 he has been provided a package, but finds it insufficient to meet his needs. Regardless, this  
7 Court has no authority to direct the actions of the King County Correctional Facility because  
8 neither the facility, nor King County itself, is a party to this action.

9 To the extent plaintiff may be asking this Court to provide him with the materials he  
10 believes are necessary to pursue this action, the undersigned notes that plaintiff should be in  
11 possession of all the materials necessary to proceed here. All that is required of plaintiff at this  
12 juncture is that he file his amended complaint by the date set forth above. The Clerk's Office of  
13 this Court recently provided plaintiff with a number of Court forms, including a § 1983 civil  
14 rights complaint form (*see* Dkt. 26), and plaintiff's recent submissions make clear that he has  
15 access to a writing implement and paper. These materials should be sufficient to allow plaintiff  
16 to meet his current obligations in this Court.

17 (3) The Clerk is directed to send copies of this Order to plaintiff and to the Honorable  
18 Richard A. Jones.

19 DATED this 13th day of February, 2017.
